

# CUSTOM HOMES

**La Ventana** is currently one of the most sought-after Hill Country neighborhoods. A meadow filled with longhorn cattle welcomes you into a community offering custom homes on 65 available, secluded 1.5-2.25 acre sites starting in the \$600's.

The charming **Abrantes** neighborhood in Cedar Park is tucked away on a greenbelt, but moments away from the hustle and bustle of the growing city. With homes situated on larger lots and starting in the high \$400's, this is the perfect place to plant your roots.

**Northgate Ranch** is a place for families, set in the rolling greenery of picturesque oaks and wildflowers. With a variety of 1 and 2-story luxury home plans to choose from and 1-acre lots, Northgate is the perfect place to enjoy the darkest skies in Texas.

**\$\$\$** - Be sure to ask about our **PREFERRED LENDER INCENTIVE** for your buyers - Hill Country Artisan Homes will contribute 1% of the total sales price of the home towards closing costs, owner's title policy or pre-pays when one of our preferred lenders and title company are utilized for home financing.
