

2019 AVID GOLD AWARD™

OF ALL THE THINGS WE'VE BUILT,
WE'RE PROUDEST OF OUR RELATIONSHIPS.

Our mission has always been to build better, smarter and more efficient homes for our buyers. But as we do, we build something even more meaningful — relationships. We're truly honored to be a recipient of the 2019 Avid Gold Award™ — especially since we've been ranked one of the highest in customer satisfaction in the nation.

"The process from putting down my earnest money to closing on the home was smooth and easy. I really like that Meritage Homes is being thoughtful about building smart homes with new technologies and efficient materials at affordable prices, especially as a first time homeowner."
