

Hillwood Communities has a strong history and commitment to the veteran community,” said Duke Kerrington, Hillwood Communities Austin General Manager. “Since 2017, Hillwood Communities has worked with Building Homes for Heroes to deliver three homes for selected veterans in several of its master-planned communities throughout the State of Texas. We are proud to participate in this opportunity and will contribute by donating the homesite so that the benefits are passed along to Sgt. Biggs.”

Another large contributor to this new home project is American radio and television personality Bobby Bones, who has also partnered with Building Homes for Heroes to provide Sgt. Biggs with this specially modified 1800S Perry Homes design. The nationally syndicated Bobby Bones Show has already raised more than \$110,000 through the show’s #PIMPINJOY movement, dedicated to helping those in need. Funds raised via the movement’s merchandise page, [The Shop Forward](#), will be donated to help adapt and outfit the home for Sgt. Biggs.
